Collection visuals are original digital product renders. Listed specifications are configurable options; materials, sizing and performance are confirmed by approved sample.

TECHNICAL GUIDE / 01

INSIDE THE DESIGN.

Backhand anatomy / schematic illustration

01 / FINGER PANELS

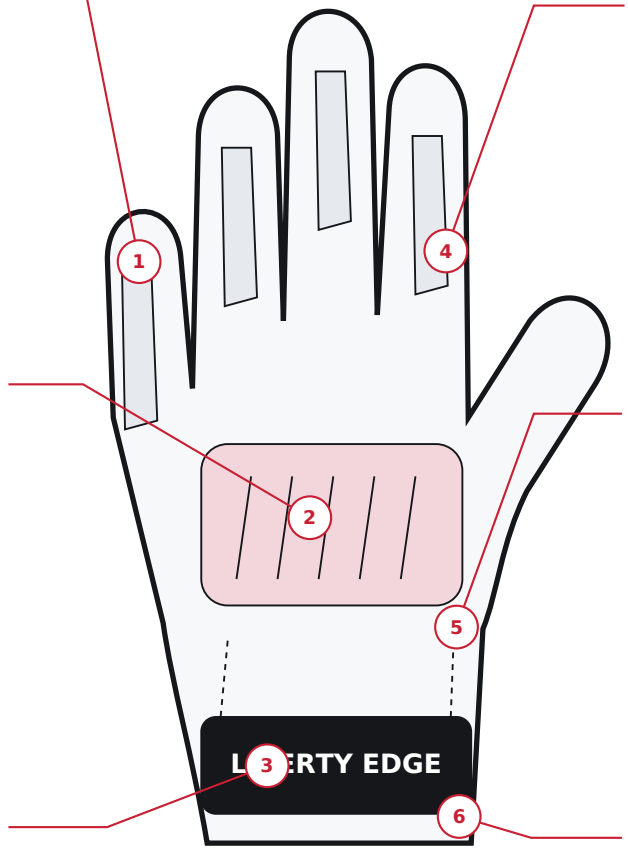

Flexible backhand panels follow the finger shape.

02 / PUNCH ZONE

Silicone or padded latex detailing across the backhand.

03 / WRIST STRAP

Adjustable wrap closure. Strapless constructions are also available.

04 / FINGER GUSSETS

Textile or latex side panels connect the palm and backhand.

05 / BODY MATERIAL

Choose neoprene, mesh or a flexible textile construction.

06 / ENTRY CUFF

Cuff height and stretch are developed around the preferred fit.

DESIGN OPTIONS

Branding, panel layout, punch detailing and closure can be adapted to your product brief.

TECHNICAL GUIDE / 02

THE CATCHING SURFACE.

Palm anatomy / schematic illustration

01 / PALM LATEX

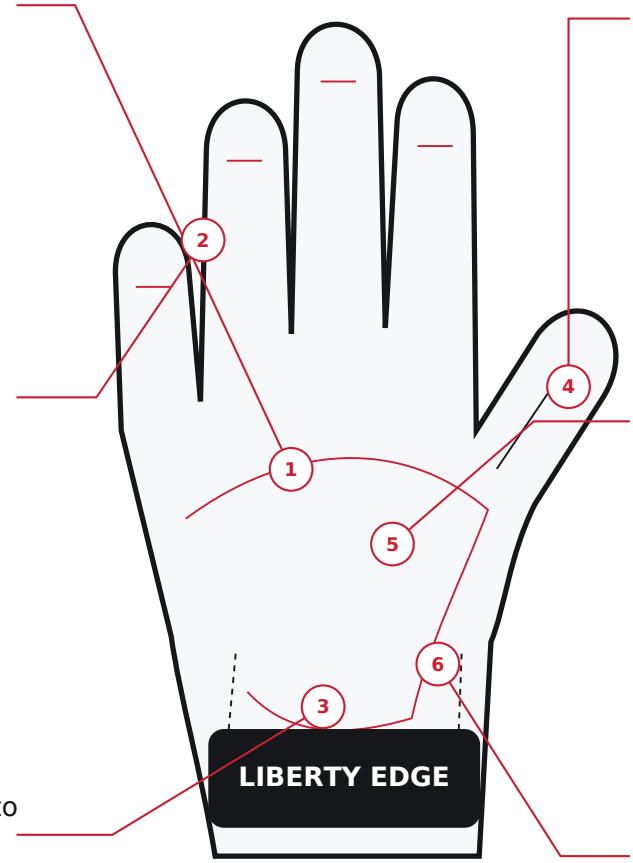

Select the compound for match play, wet conditions or training.

02 / FINGER SEAMS

The selected cut changes seam position and internal fit.

03 / EXTENDED PALM

Optional latex coverage towards the wrist, subject to pattern.

04 / THUMB WRAP

Optional latex wrap increases coverage around the thumb.

05 / BACKING FOAM

Palm thickness and foam backing are agreed in the specification.

06 / CARE & WEAR

Clean gently and air-dry away from heat. Abrasive surfaces accelerate wear.

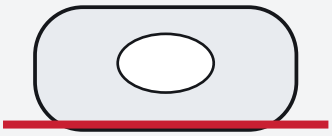

SAMPLE APPROVAL

Confirm latex supplier, grade, origin, thickness and backing before bulk production.

TECHNICAL GUIDE / 03

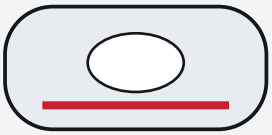

UNDERSTAND THE CUT.

Simplified finger cross-sections / construction varies by pattern

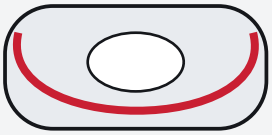

FLAT PALM

External seams. A traditional construction with a generally roomier feel.

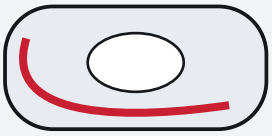

NEGATIVE CUT

Internal seams. A closer fit around the fingers.

ROLL FINGER

Latex wraps around the finger sides for rounded coverage.

HYBRID CUT

Combines constructions to balance fit and latex coverage.

Red line: palm latex

Centre oval: finger

Cut diagrams explain construction principles and are not production patterns.

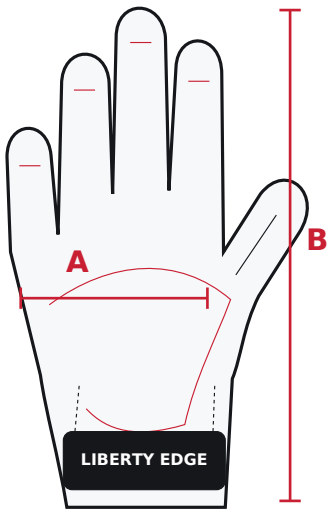

TECHNICAL GUIDE / 04

MATERIALS. FIT. CARE.

Choose the specification around your keeper and playing surface.

CONTACT	Premium match direction; agree the precise grade and origin.
GIGA	A match or training option, depending on the approved compound.
AQUA	Wet-weather direction; evaluate the compound in intended conditions.
SOFT / DURABLE	Soft options for entry ranges; durability-focused compounds for training.

MEASURE BEFORE YOU SIZE.

A / PALM WIDTH
Measure across the widest part of the palm, excluding the thumb.

B / HAND LENGTH
Measure from the wrist crease to the tip of the middle finger.

FIT CHECK
Compare both measurements with the approved model chart. Junior and senior grading is confirmed during sampling.

Pre-wash before use. Keep latex slightly damp during play. Rinse gently and air-dry away from direct heat and sunlight.

LE-GK01 / PRO MATCH / STRAPLESS

ELITE NEGATIVE

Close fit. Confident handling.

COLOURWAY	White / crimson
CUT	Negative cut
PALM	Contact latex
BACKHAND / BODY	Neoprene / silicone detail
WRIST	Extended strapless cuff
SIZE RANGE	Senior: 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK02 / MATCH / ROLL FINGER

ROLL CONTROL

A classic wrapped-finger feel.

COLOURWAY	White / royal blue
CUT	Roll finger
PALM	Giga or Contact latex
BACKHAND / BODY	Padded latex / textile gussets
WRIST	Full wrap wrist strap
SIZE RANGE	Senior: 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK03 / PRO MATCH / HYBRID

HYBRID ELITE

A tailored balance of fit and coverage.

COLOURWAY	Black / gold
CUT	Hybrid / roll-negative
PALM	Contact latex
BACKHAND / BODY	Neoprene / silicone detail
WRIST	Adjustable wrist strap
SIZE RANGE	Senior: 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK04 / CLUB / FLAT PALM

CLASSIC TEAM

The traditional teamwear essential.

COLOURWAY	White / black / red
CUT	Flat palm
PALM	Soft or Supersoft latex
BACKHAND / BODY	Padded latex / mesh gussets
WRIST	Full wrap wrist strap
SIZE RANGE	Junior 4-7 / Senior 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK05 / WET WEATHER / MATCH

AQUA MATCH

A dedicated wet-weather direction.

COLOURWAY	Aqua / black
CUT	Negative or hybrid
PALM	Aqua latex
BACKHAND / BODY	Neoprene / silicone detail
WRIST	Adjustable wrist strap
SIZE RANGE	Senior: 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK06 / TRAINING / ABRASIVE SURFACES

TURF TRAINER

Built around everyday training needs.

COLOURWAY	Black / orange
CUT	Flat palm or roll finger
PALM	Durability-focused compound
BACKHAND / BODY	Reinforced textile / padded backhand
WRIST	Full wrap wrist strap
SIZE RANGE	Junior 4-7 / Senior 8-11

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK07 / YOUTH / ACADEMY

JUNIOR START

A clear starting point for young keepers.

COLOURWAY	Royal blue / lime
CUT	Flat palm
PALM	Soft latex
BACKHAND / BODY	Flexible textile / padded backhand
WRIST	Easy-adjust wrist strap
SIZE RANGE	Junior: 4-7

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK08 / SUPPORT / STRUCTURED BACKHAND

FINGER GUARD

Configure support around the keeper.

COLOURWAY	Red / black / white
CUT	Flat palm or negative
PALM	Soft, Giga or Contact latex
BACKHAND / BODY	Padded backhand / support channels
WRIST	Full wrap wrist strap
SIZE RANGE	Junior 4-7 / Senior 8-11

Fixed or removable finger supports by specification. Supports do not eliminate injury risk.

LE-GK09 / FUTSAL / SHORT FINGER

FUTSAL TOUCH

A specialist glove for court play.

COLOURWAY	Black / white / red
CUT	Short finger / custom pattern
PALM	Latex-covered palm
BACKHAND / BODY	Breathable textile
WRIST	Adjustable wrist strap
SIZE RANGE	Custom size development

Custom colours, logo application, palm grade and packaging available by quotation.

LE-GK10 / COLD WEATHER / EXTENDED CUFF

WINTER GRIP

A warmer construction direction.

COLOURWAY	Navy / silver
CUT	Negative or flat palm
PALM	Compound selected for conditions
BACKHAND / BODY	Lined textile / padded backhand
WRIST	Extended cuff with strap
SIZE RANGE	Senior: 8-11

Lining and cold-weather suitability require sample evaluation; no thermal rating is stated.

BUYER SELECTION

COMPARE THE RANGE.

Choose your preferred construction before developing colourways.

MODEL	CUT	PALM OPTION	DIRECTION
ELITE NEGATIVE	Negative cut	Contact latex	Pro Match
ROLL CONTROL	Roll finger	Giga or Contact latex	Match
HYBRID ELITE	Hybrid / roll-negative	Contact latex	Pro Match
CLASSIC TEAM	Flat palm	Soft or Supersoft latex	Club
AQUA MATCH	Negative or hybrid	Aqua latex	Wet Weather
TURF TRAINER	Flat palm or roll finger	Durability-focused compound	Training
JUNIOR START	Flat palm	Soft latex	Youth
FINGER GUARD	Flat palm or negative	Soft, Giga or Contact latex	Support
FUTSAL TOUCH	Short finger / custom pattern	Latex-covered palm	Futsal
WINTER GRIP	Negative or flat palm	Compound selected for conditions	Cold Weather

Latex names describe requested material directions, not verified performance ratings. Grade, supplier, origin, thickness and backing foam form part of the final specification.

BUILD YOUR COLLECTION

YOUR LOGO. YOUR RANGE.

A coordinated glove collection, from product design to retail presentation.

CUSTOM BRANDING

Backhand artwork, wrist logos, player names and numbers.

MATERIAL OPTIONS

Contact, Giga, Aqua and Soft latex; neoprene, mesh and textile.

COLOUR & FIT

Coordinate palms, cuffs and details; approve size grading and fit.

RETAIL PACKAGING

Custom glove bags, hangtags, labels and printed boxes.

German-origin latex may be requested, subject to sourcing confirmation. Artwork, material origin and construction are agreed before bulk production.

LET'S CREATE YOUR COLLECTION.

REQUEST A MANUFACTURING QUOTATION

Share the model reference, preferred cut, latex, size breakdown, quantity, branding and delivery destination. We will confirm sampling, minimum order quantity, pricing and production timing for your specification.
