MANUFACTURING PARTNERSHIP

YOUR WORKFORCE. YOUR IDENTITY.

Custom workwear development and manufacturing from Sialkot, Pakistan.

RED WOVEN NECK LABEL

STITCHED LEATHER LABEL

FABRICS & CONSTRUCTION

Cotton, poly-cotton, twill, fleece, softshell and coated shell options. Confirm composition, GSM, finish and trim specification.

BRANDING & PRESENTATION

Small red woven labels sewn into back-neck facings; stitched leather labels on denim and suitable workwear seams. Artwork, placement and finish are approved before production.

SAMPLING & FIT

Share your reference, size chart and use case. Review the physical sample for fit, pocket function, material and workmanship.

PERFORMANCE REQUIREMENTS

Specify any required protective standard at enquiry stage. Product testing and certification must match the approved garment; no rating is implied by appearance.

LET'S BUILD YOUR COLLECTION

PRECISION IN EVERY STITCH.

We manufacture what you imagine.

REQUEST A QUOTATION

Send us your:

1. Product codes or design references
2. Fabric and colour requirements
3. Size chart and quantity breakdown
4. Logo and branding artwork
5. Delivery destination
6. Any required testing or standards

Sample cost, minimum order quantity and lead times are confirmed for your specification.

LIBERTY EDGE INDUSTRIES
